|----|--|------------|
| 1. | Chairs' Report   | BRIEFING   |
| 2. | Public Comment   | COMMENT    |
| 3. | RTC discusses and deliberates sections of the Draft Report of the Regional Transportation Commission | DISCUSSION |

Discussion topics may include:

- Should there be a new permanent regional transportation governance entity?
- What should be the overall scope of the authority for the new entity? Transit, roads, planning, finance and taxing authority, land use, construction, or maintenance?
- Which revenue generating mechanisms should be available to the new entity, and should these include mechanisms also used for demand management?
- How should members of new entity be selected, and what should the boundaries of the region be?

***Copies of the RTC Draft Report can be downloaded from [www.psrtc.wa.gov](http://www.psrtc.wa.gov).***

*A limited number of hard copies will be available at the meeting, and observers are strongly encouraged to download and print their own copies from the website.*

**Please contact the University of Washington directly regarding physical accessibility;  
Print and communications access provided upon request. Call  
1-800 606-9161 for further information.**
